Mission and History

Rescue is a 501(c)3 non profit organization that works toward effective management of the domestic animal population in XXXX County through education, rescue, TNR (Trap, Neuter & Return), and owner services. Rescue was established in 2016.

We are very fortunate to have a large multiroom

building that is equipped with an infirmary, window catios, and two large courtyard catios (which were designed and installed by one of our wonderful volunteers!).
